In response to the Office Action of June 11, 2002, please amend the application as follows:

In the Claims

Amend claims 1, 6, 15-19, 25 and 27 as follows (a clean copy appears in Attachment

A):

1. (Amended) A juvenile vehicle seat assembly comprising
a seat including a seat bottom and a seat back,
a cantilevered armrest projecting from the seat back, the cantilevered armrest
including an arm having a top surface and a support mount appended to the arm and coupled
to the seat back to support the arm in a cantilevered position, and

a first fastener coupled to the support mount and seat back to maintain the arm in the
cantilevered position, the first fastener being arranged to lie above the top surface of arm to
cause the arm to lie between the first fastener and the seat bottom when the arm is in its
cantilevered position.

6. (Amended) A juvenile vehicle seat assembly comprising
a seat including a seat bottom and a seat back,
